YouthMetre is an interactive and up to date tool that allows you to:

1. **BE INFORMED** - check the stats, get quick insight into the matter.

2. **BE INSPIRED** - check the Good Practices map and see what's happening in your area and all over the EU - many best practices can help solving your local issue as well.

3. **BE CONNECTED** - become part of the YM network, find like-minded people and advocate for your idea that is solving issue on local, national and EU level. **How? Post your ideas on the map «My idea for my community» and network.**

4. **BE EMPOWERED** - develop and share your local needs/ideas and effectively address authorities; have an impact on shaping EU youth strategy and its implementation at local, regional and national levels.

ABOUT YOUTHMETRE

YouthMetre is an initiative funded by the European Commission through its Erasmus Plus Programme - Key

ACTION 3 : Forward Looking project

YouthMetre e-tool aims to empower youth to engage with and have an impact on shaping EU youth strategy and its implementation at local, regional and national levels.

STUDY GROUPS

The YouthMetre tool will be analyzed by 15 informal groups from 15 European countries, at least 10 people per each group, 18-30, gender balanced.

Study Groups will be asked to:

- Test YouthMetre (content, graphics, functionality).
- Propose good practices for 8 key topics of the EU Youth Strategy.
- Evaluate EU Youth Indicators and propose new indicator.
- Evaluate communication strategy and support YouthMetre dissemination.
