- Share this data with your local young citizens and start a Structured Dialogue
- See how your youth policies transfer to EC data gathered on youth
- Contribute your youth practices to the growing database of initiatives

INSPIRATION

- Become inspired by our map of EC good practices
- Share local authority data on your initiatives and successes in youth policy practice
- Transfer what works to your own community
- Connect with other first movers through YouthMetre's network.

INTERACTION

- Collect local ideas for change, receive comments, discuss, vote on proposals and create online surveys
- Interact and act together with your young local voices through our innovative citizen app
- Use our training resources to engage with youngsters in your community

ABOUT YOUTHMETRE

YouthMetre is funded by the European Commission's Erasmus+ Program

YouthMetre aims to empower local authorities to work with youth and shape a positive youth-centred EU Youth Strategy.

Our interactive tools enhance the implementation of the Structured Dialogue at local, regional and national levels.
