

**YouthMetre is an interactive e-tool you can access on computer, laptop, tablet and smartphone.**

**It allows you to:**

**1. BE INFORMED** - check the stats, get quick insights into the matter.

**2. BE INSPIRED** - check the Good Practices map and see what's happening in your area and all over Europe - many best practices can help solving your local issues as well.

**3. BE CONNECTED** - become part of the YM network, find like-minded people and advocate for your ideas that are solving issues on local, national and EU level. **How? Post your ideas on the map «My idea for my community» and network.**

**4. BE EMPOWERED** - develop and share your local needs/ideas and effectively address authorities; have an impact on shaping EU youth strategy and its implementation at all levels. **How? Use the Advocacy toolkit.**

# YOUTHMEMBERS LOCALPARTNERS

---

In addition to 6 partner organisations, YouthMetre seeks local partners focusing on disseminating YouthMetre in their areas.

## LOCAL PARTNERS:

- Show young people **#Yengage** in public affairs and how to make a change.
- Are involved in training sessions.
- Have access to the YouthMetre training materials.
- Join a European network of organisations.

# ABOUT YOUTHMETRE

---

YouthMetre is an initiative funded by the European Commission through its Erasmus Plus Programme

## KEY ACTION 3: Forward Looking Projects

YouthMetre e-tool aims to empower youth to engage with and have an impact on shaping EU youth strategy and its implementation at local, regional and national levels.

# STUDY GROUPS

---

YouthMetre has been developed in collaboration with Study Groups of young people in different European countries.

## Study Groups:

- Tested YouthMetre (its content and functionality).
- Proposed good practices for 8 key topics of the EU Youth Strategy.
- Evaluated EU Youth Indicators and proposed new indicators.
- Evaluated communication strategy and supported YouthMetre dissemination.
